I have been with CVUSD for 26 years and have spent the past 14 years teaching at Wonder. I enjoy teaching in many different ways, especially bringing nature into the classroom or being out in nature.

My husband Bryan and I have been married for 26 years and we have 3 amazing daughters. Bridget is getting her masters in Clinical Psychology at Pepperdine, Kyleigh is a wildland firefighter and Caitlin works as a childcare assistant with CVUSD as she is finishing up Moorpark college.

I enjoy spending time with my family and friends, I love to bake hike, camp, fish and complete jigsaw puzzles. My favorite thing to do is to be out in nature exploring new places and things.
