I have been with CVUSD 18 years and have spent the past 15 years teaching at Wonder. I love teaching outside in our natural world and guiding students as they begin their educational journey

I have been married 25 years and we have a beautiful 24 year old daughter who is currently attending nursing school in North Carolina

My family enjoys spending time in nature. We are often off exploring the wilderness in our jeep, visit National Parks or hiking with our dog.

Nature fascinates me with it's rock formations, I love collecting rocks along my travels
