## About Me

I am so excited about this school year! This year will be my 22<sup>nd</sup> year here at CVUSD! I'm originally from Chicago. I have been married for 19 years, and I have 2 children, Josh (17) and Madelyn (14). On most days you can find me running around after teaching to my kids baseball and softball games. We love to go watch Dodgers vs. Cubs series at Dodger Stadium. We also like to hike, go to the beach, and cook.
