

CLASSROOM CURRICULUM

PRE-K PM CLASS: MS. NASHA

OCTOBER 2021

Exploring Nature

Our PM classroom has been going on nature walks and collecting different things in nature. For the month of October, we will be reading books that are associated with nature. Then we will go on walks and collect different items (leaves, acorns, pinecones, sticks..). The class will examine the findings and use them in other projects like building and creating art.

Learning foundations that the children will meet:

Language:

Categorizing items from nature and be able to talk about it.

Social-emotional Development:

Taking initiative in making discoveries and problem solving.

Art:

Use different materials to make 2 and 3 dimensional work.

Math:

Order and categorize objects by size and shape.

Combine different shapes to create pictures or designs.

Science:

Observe objects in nature and be able to describe them in details.
