## About Me

MS. TRACY  
ROOM 18 PRE-K TEACHER

Best way to reach me is via email  
mcarpenter@conejousd.org

This is my second year at Wonder, I am so happy to be here and I look forward to getting to know all of you. All of my working years have been spent in the classroom and I truly enjoy being part of each child's beginning as life long learners.

My husband and I have been married 32 years and we have 4 beautiful adult children. They all work at In N Out while going to college. As a family we like to cook, bake, and camp together.

I also enjoy spending time with extended family, which include my parents, sister, niece, nephew, and cousins. We like to barbeque, celebrate birthdays and take an annual camping trip.
